Reunion

Becks traumatised by Trafford return whilst Rooney storms old Trafford.

Everyone was focused on Beckham's return whilst Rooney was overlooked. He then knocked in two goals to help United to a 4-0 win and 7-2 triumph on aggregate.

During last night's game it only took Rooney 13 minutes to snatch United's first goal against Milan; from then on Milan were on an uphill struggle as they needed to score 3 goals just to go to extra time. But that man Rooney went on to get United's second goal just after half - time and Milan's hopes were destroyed. Even then, United weren't finished yet as they went on to score a further two goals through Park and Fletcher.

During the second half Beckham stepped back onto his childhood

turf after an absence of seven years. The crowd gave Beckham a magnificent reception. He started his game by getting hold of the ball and laying several quality passes off, just like old times. Then came the moment when he fired a 30yrd volley at United keeper, Edwin Van Der Sar; everyone gasped for a moment as he just managed to tip the ball over the bar.

Overall it was an emotional return to Old Trafford for Beckham, but it was Rooney who stole the show.
