

# Sheffield Shines Up For the “Big Spring Clean”

By Oliver

The second year of the Sheffield spring clean has begun, and everybody is taking part! Included in this are our very own Sheffield Wednesday and Sheffield United; the long time rivals have finally joined together to help the community clean the streets and to enjoy the day.

Last year marked the launch of the “Big Spring Clean” and all the community are invited to take part in cleaning the streets. The event is started with a joyful parade from the town hall to the beautiful peace gardens, which is accompanied by many representatives from football clubs, colleges, universities and construction firms from across the city. These all help out in some way or another.

Last year’s event was a great success with over eighty groups and over two thousand sacks of garbage collected, hopefully we can do even better this year! The leader of the Sheffield city council Paul Shriven said “Lots of people have already signed up and are willing to take part in this prestigious event, equipment is being offered to all the groups wanting to take part”

If anybody would like to take part in the big spring clean, (whether a “Sheffelder” or not) you can email [streetforce@sheffield.gov.uk](mailto:streetforce@sheffield.gov.uk) or phone the Sheffield Council’s street force team on “0114 273 4221” Go get’em Sheffield!
